## LEGION OF MARY

June is dedicated to the Sacred Heart of Jesus. It is a great month to consecrate your home to the Sacred Heart of Jesus and the Immaculate Heart of Mary. The US Catholic Council of Bishops will dedicate our country to the Sacred Heart of Jesus (feast day is June 12th) before the 250th anniversary of the United States July 4. That's another great reason to consecrate your home anytime this year. If you are interested in doing this, there is a sign up sheet in the back of the church. Fill out your information and a Legion of Mary member will contact you.

Questions: Sherry Kutz (217) 260-7338

## FROM FATHER DREW

### SURE HOPE IN THE SPIRIT

*From Saint Cyril of Alexandria, d. 444 AD*

Those who have a sure hope, guaranteed by the Spirit, that they will rise again lay hold of what lies in the future as though it were already present. They say: Outward appearances will no longer be our standard in judging other men. Our lives are all controlled by the Spirit now, and are not confined to this physical world that is subject to corruption. The light of the Only-begotten has shone on us, and we have been transformed into the Word, the source of all life. While sin was still our master, the bonds of death had a firm hold on us, but now that the righteousness of Christ has found a place in our hearts we have freed ourselves from our former condition of corruptibility.

This means that none of us lives in the flesh anymore, at least not in so far as living in the flesh means being subject to the weaknesses of the flesh, which include corruptibility. Once we thought of Christ as being in the flesh, but we do not do so any longer, says Saint Paul. By this he meant that the Word became flesh and dwelt among us; he suffered death in the flesh in order to give all men life. It was in this flesh that we knew him before, but we do so no longer. Even though he remains in the flesh, since he came to life again on the third day and is now with his Father in heaven, we know that he has passed beyond the life of the flesh; for having died once, he will never die again, death has no power over him any more. His death was a death to sin, which he died once for all; his life is life with God.

Since Christ has in this way become the source of life for us, we who follow in his footsteps must not think of ourselves as living in the flesh any longer, but as having passed beyond it. Saint Paul's saying is absolutely true that when anyone is in Christ he becomes a completely different person: his old life is over and a new life has begun. We have been justified by our faith in Christ and the power of the curse has been broken. Christ's coming to life again for our sake has put an end to the sovereignty of death. We have come to know the true God and to worship him in spirit and in truth, through the Son, our mediator, who sends down upon the world the Father's blessings.

And so Saint Paul shows deep insight when he says: This is all God's doing: it is he who has reconciled us to himself through Christ. For the mystery of the incarnation and the renewal it accomplished could not have taken place without the Father's will. Through Christ we have gained access to the Father, for as Christ himself says, no one comes to the Father except through him. This is all God's doing, then. It is he who has reconciled us to himself through Christ, and who has given us the ministry of reconciliation.

### COMMANDMENTS FOR THE MONTH OF MAY

The 8<sup>th</sup> & 9<sup>th</sup> Commandments: *You shalt not covet your neighbor's wife. You shall not covet your neighbor's goods*

Covetousness is a condition of the heart that provokes words and actions that harm others and damage relationships. Healthy desires are made possible by God's desire for us to live fulfilling lives and to serve one another. Coveting is when our desires become disordered, focused on pleasing or promoting oneself at the detriment of others.

The symptoms of coveting include jealousy, lust, discontentment, being sad at the good fortunes of others or being happy about their bad fortunes. Being aware of these symptoms gives us the opportunity to examine why our feelings are disordered, and then take corrective steps to reorder our desires by replacing selfishness with gratitude, generosity, and genuine concern for others.
