O God, your Son accepted our sufferings to teach us the virtue of patience in human illness. Hear the prayers we offer for our sick brothers and sisters. May all who suffer pain, illness or disease realize that they are chosen to be saints, and know that they are joined to Christ in his suffering for the salvation of the world, who lives and reigns with you and the Holy Spirit, one God, for ever and ever. ## A MESSAGE FROM OUR PASTOR, FR. DREW

Friends, please read Bishop Johnston's powerful column from the latest Catholic Key ...

### AMENDMENT 3: BAD FOR EVERYONE BUT THE ABORTION BUSINESS

Imagine going to the hospital for a common but serious surgery like having an appendectomy, a knee replacement, or a colonoscopy. Prior to the procedure, the hospital staff meets with you and asks you to sign a form which permits any health care worker at the hospital to perform the surgery. This would include one of the nurses or a physician's assistants or the pharmacist. Along with this, they ask you to release the hospital and whoever does the procedure from any liability if things go wrong for any reason, including negligence or incompetence. With your signature, you and your family would release those involved in the procedure from any lawsuit that could arise and any criminal prosecution, even in the event of your death. In such a moment, you would likely leap out of your chair and tell the hospital staff that they are out of their mind.

Now imagine that you are a parent, and someone informs you that this can be done to your child without any notification or your consent. In other words, your child without your knowledge could have a serious surgical procedure done by someone other than a trained doctor without any fear of liability or prosecution.

If this scenario sounds outlandish, then I introduce you to Amendment 3, which will be on the ballot Nov. 5 in Missouri.

If approved, this constitutional amendment will establish in our state the most absolute and extreme right to abortion. In effect, Missourians will greatly limit their ability to regulate abortion and it will be very difficult to hold the abortion industry and Planned Parenthood responsible for medical negligence.

If the amendment is approved, we will intentionally tie our hands and give extensive freedom to the abortion industry and open the door to force us as taxpayers to pay them, as they are doing to the residents of Michigan, who approved a similar proposal.

Amendment 3, as it will appear on the ballot, is deceptively written. What voters will see is an intentionally worded few sentences which benignly describe the referendum as an approval of "reproductive rights" as protected by the state. The actual text of the amendment reveals what is really at stake: it is a "Trojan horse" meant to eliminate other important rights. Rights which, if surrendered, will be difficult to get back.

These are just the issues which affect parents, adolescent girls, women and every resident of Missouri. The impact this would have on preborn children, who will be vulnerable to abortion all the way up to birth, including when they can experience pain, is ever more profound.

It is essential that we pray and work fervently for the defeat of Amendment 3. Plead with God to save our state from this disaster. Invoke the intercession of the Blessed Mother, especially through the power of the Holy Rosary during this month of the Rosary. Ask our diocesan patron, Saint Joseph, for his help and intercession, too. Among his greatest acts was the defense of the infant Christ from the wicked and murderous King Herod, and we surely face another "Herod" this November.

I urge you to vote "no" on Amendment 3 and tell as many others as possible about what is at stake. October is Respect Life Month. This year it takes on an even greater importance for us all.
